Independent Auditors' Report

To the Board of Directors of Partners for Youth with Disabilities, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Partners for Youth with Disabilities, Inc. (a nonprofit organization), (the Organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1(o) to the financial statements, the Organization has adopted ASU No. 2016-14, Not-for-Profit Entities (Topic 958) - *Presentation of Financial Statements of Not-for-Profit Entities*. Our opinion is not modified with respect to that matter.

Other Matters

Supplemental and Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Report on Summarized Comparative Information

We have previously audited the Organization's 2018 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 17, 2019. The prior year summarized comparative information is not intended to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2018, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report date December 13, 2019 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

To the Board of Directors of Partners for Youth with Disabilities, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Partners for Youth with Disabilities, Inc. (a nonprofit organization), (the Organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 13, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for the Major Program and on Internal Control Over Compliance Required by the Uniform Guidance

To the Board of Directors of Partners for Youth with Disabilities, Inc.

Report on Compliance for the Major Federal Program

We have audited Partners for Youth with Disabilities, Inc.'s (a nonprofit organization) (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Organization's major federal program for the year ended June 30, 2019. The Organization's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of federal statutes, regulations and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for the Organization's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2019.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Notes to Financial Statements

June 30, 2019

(1) Summary of Significant Accounting Policies

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The significant accounting policies followed by Partners for Youth with Disabilities, Inc. (the Organization) are described below to enhance the usefulness of the financial statements to the reader.

(a) Nature of Activities

The Organization was organized in the Commonwealth of Massachusetts as a nonprofit corporation in 1985. Since its founding in 1983, the Organization has been a pioneer in the development and delivery of a unique mentoring service and has established innovative and effective programs serving youth with disabilities ages 6-24 in Massachusetts. The Organization recruits, trains, guides and supports caring adults that serve as mentors for youth, as well as supporting parents and families of children with disabilities who need additional resources. In addition to providing hundreds of mentors/partners for youth and young adults through its Mentor Match Program, the Organization has continuously met the needs of its changing community by creating and sustaining additional mentoring models and programs to address health, independence, social skills and career development as well as the needs of specific disabilities like autism and learning disabilities.

In addition, the Organization's National Center offers on-line and in-person training and technical assistance to other organizations interested in becoming more inclusive of youth with disabilities. The Organization furthered its mission during the year ended June 30, 2018 through continued delivery of high quality one-to-one and group mentoring programs and sharing the Organization's inclusion expertise. The Organization provides opportunities for youth with disabilities to develop to their full potential so that they may lead self-determined lives filled with dignity, pride and purpose.

The Organization continues to focus its efforts on offering high quality programming in a sustainable manner. During the prior year, the Organization expanded its YEP career readiness program through an additional contract with the Massachusetts Rehabilitation Program and enhanced its on-line presence with an expanded career mentoring site, C3. Working with other coalition members, the Organization supports sustained advocacy for mentoring individuals with disability by hosting the National Disability Mentoring Coalition and establishing tiered memberships to support that work.

Notes to Financial Statements

June 30, 2019

(1) Summary of Significant Accounting Policies - continued

(a) Nature of Activities - continued

Current programs include:

Mentoring Division:

Mentor Match Program - This core program of the Organization matches youth with disabilities with caring adults that serve as role models and mentors for the youth guiding them to achieve their personal, independent living and career goals. This program served a total of 145 youth in new or existing matches during the year.

National Center for Mentoring Youth with Disabilities - The National Center reaches non-profit organizations across the United States with customized training, technical assistance, and support to improve inclusion and engagement of people with disabilities. It also supports an inclusive on-line mentoring platform (C3) capable of hosting tailored e-mentoring programs. During the year ended June 30, 2019, the Organization's National Center provided training for 1,323 individuals in a wide range of organizations and hosted 126 mentors and mentees on the C3 platform.

Youth in Preparation for Independence Division:

Peer Leadership Program - This program prepares young adults with disabilities to become leaders in their communities through participating in after-school community service opportunities. Young leaders develop leadership and job readiness skills while at the same time learning the value of community service through work with PYD's YLF and ATT programs.

Youth Leadership Forum (YLF) - YLF is for High School students with disabilities who want to develop self-advocacy and leadership skills, begin to plan career goals, and build a network of supports and friends. During the year ended June 30, 2019, the Organization hosted a combined 56 youth with disabilities for a single session of YLF in June 2019.

Notes to Financial Statements

June 30, 2019

(1) Summary of Significant Accounting Policies - continued

(a) Nature of Activities - continued

Education and Training Division:

Young Entrepreneurs Program (YEP) - This program is an inclusive job-readiness program that addresses barriers to employment for youth and young adults with disabilities via a three-tiered curriculum of academic learning, real world experiences, and mentoring. During the year ended June 30, 2019 YEP expanded to include ongoing intern/job placement and job coaching for pre-employment transition aged youth served by the Massachusetts Rehabilitation Commission Boston offices. YEP served a total of 259 youth.

Access to Theatre Program (ATT) - This inclusive theatre arts program that engages youth with and without disabilities in out-of-school and summer theatre arts activities. The program features creative workshops and original productions created by the youth and performed at community locations. ATT served 47 youth and young adults in the year ended June 30, 2019.

All of the Organization's programs were developed with the understanding that youth with disabilities face many obstacles in their efforts to live independent productive lives, and that one of the greatest obstacles is a profound sense of powerlessness over the most basic circumstances of daily life. Consequently, all the Organization's programs are grounded in the philosophy of empowerment; programs are designed to provide opportunities for youth to gain control of their lives and to acquire the information, resources, and skills for life-long growth and full participation in their communities.

(b) Basis for Presentation

The statement of activities reports all changes in net assets, including changes in net assets without donor restrictions from operating activities. Operating revenues consist of those monies received and other contributions attributable to the Organization's ongoing efforts.

(c) Standards of Accounting and Reporting

The Organization's net assets (excess of its assets over liabilities) and its revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions.

The statement of financial position presents two classes of net assets (net assets without donor restrictions and net assets with donor restrictions) and the statement of activities displays the change in each class of net assets.

Notes to Financial Statements

June 30, 2019

(1) Summary of Significant Accounting Policies - continued

(c) Standards of Accounting and Reporting - continued

The classes of net assets applicable to the Organization are presented as follows:

<u>Net Assets Without Donor Restrictions</u> - Net assets that are not subject to donor imposed restrictions. Net assets without donor restrictions consist of assets and contributions available for the support of operations. These net assets may be designated for specific purposes by management or the Board of Directors. Gains and losses on investments are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or law.

<u>Net Assets With Donor Restrictions</u> - Net assets that are subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or passage of time. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Net assets with donor restrictions also includes the original amount of gifts and investment earnings required by the donor to be permanently retained. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes.

(d) Cash and Cash Equivalents

The Organization considers all highly liquid investments purchased with an original maturity of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash equivalents.

The Organization maintains its cash balances at several financial institutions located in Massachusetts. The cash balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000, with the exception of money market accounts of \$120,703 as of June 30, 2019, which are primarily invested in U.S. Government securities, certificates of deposit and commercial paper. As of June 30, 2019, money market balances are not FDIC insured. The Organization did not maintain cash balances in excess of FDIC limits in any financial institution as of June 30, 2019.

Notes to Financial Statements

(1) Summary of Significant Accounting Policies - continued

(e) Revenue Recognition

The Organization earns revenue as follows:

<u>Program Service Fees</u> - Program service fees revenue are earned and recognized by the Organization when units or services are provided and billed under various agreements funded primarily by governmental agencies. All contracts, consist of two types, unit-rate and cost-reimbursement contracts, all with ceiling amounts. Unit-rate contracts provide that revenue is to be earned and recognized at a negotiated or class rate for each unit-of-service that is provided under the terms of the contract. Under the cost-reimbursement contracts, revenue recognition takes place as costs related to the services provided are incurred. Billings on the contracts are subject to final approval by the governmental Organization.

<u>Grants and Contributions</u> - Grants and contributions are recorded upon receipt or pledge as net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature of any donor restrictions. All grants and contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

<u>Donated Services</u> - Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by individuals with those skills, and would otherwise be purchased by the Organization. Volunteers also provided fund-raising services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met.

<u>Special Events</u> - Special events revenue is primarily derived from contributions collected and fees charged for admission at various sponsored events. Special events revenue is recognized when earned. Special events are incidental to the Organization's operations and the related direct expenses have been reported with fundraising expense in the accompanying statement of activities. For the year ended June 30, 2019, revenue derived from the event totaled approximately \$125,266.

Substantially all of the Organization's revenue is derived from its activities in Massachusetts. During the year ended June 30, 2019, the Organization derived approximately 67% of its total revenue from governmental agencies and 33% from foundations, corporations and individual donors. All revenue is recorded at the estimated net realizable amounts.

(f) Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. As of June 30, 2019, management has determined any allowance would be immaterial.

Notes to Financial Statements

June 30, 2019

(1) Summary of Significant Accounting Policies - continued

(f) Accounts Receivable - continued

The Organization does not have a policy to accrue interest on accounts receivable. The Organization has no policies requiring collateral or other security to secure the accounts receivable.

As of June 30, 2019, 100% of the Organization's accounts receivable is due from various governmental agencies.

(g) Contributions Receivable

Conditional contributions receivable are not recognized in the financial statements until the conditions are substantially met. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional contributions receivable that are expected to be collected in more than one year are recorded at fair value, which is measured as the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contributions. In the absence of donor stipulations to the contrary, promises with payments due in future periods are restricted to use after the due date.

Unconditional contributions receivable are periodically reviewed to estimate an allowance for doubtful accounts. Management estimates the allowance by review of historical experience and a specific review of collections trends that differ from scheduled collections on individual promises. As of June 30, 2019, management has determined any allowance would be immaterial.

(h) Fixed Assets

Land, building and equipment are recorded at cost or if donated, fair value on the date of receipt. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives. Improvements, including planned major maintenance activities are capitalized, while expenditures for routine maintenance and repairs are charged to expense as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statement of activities.

The Organization computes depreciation using the straight-line method over the estimated lives of furniture and equipment of 3-5 years. Furniture and equipment was \$18,680 as of June 30, 2019.

Notes to Financial Statements

June 30, 2019

(1) Summary of Significant Accounting Policies - continued

(i) Fundraising Expense

Fundraising expense relates to the activities of raising general and specific contributions to the Organization and promoting special events. Fundraising expenses as a percentage of total contribution and special event revenue was 29% for the year ended June 30, 2019. The ratio of expenses to amounts raised is computed using actual expenses and related revenue on an accrual basis.

(j) Special Events

Special events revenue is recognized when earned. Special events are incidental to the Organization's operations and the related direct expenses have been reported with fundraising expense in the accompanying statement of activities.

(k) Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are allocated to programs and supporting services. Administration expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Payroll and associated costs are allocated to functions based upon actual time charges. Occupancy costs are allocated based upon the allocation of salary.

(l) Use of Estimates

In preparing the Organization's financial statements in conformity with U.S. GAAP, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(m) Income Taxes

The Organization qualifies as an organization formed for charitable purposes under Section 501(c)(3) of the Internal Revenue Code (IRC) and is generally not subject to income tax. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Organization is not a private foundation under Section 509(a)(1) of the IRC.

Notes to Financial Statements

June 30, 2019

(1) Summary of Significant Accounting Policies - continued

(n) Summarized Financial Information for 2018

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Also, there is no presentation of statement of cash flows or statement of functional expenses for the year ended June 30, 2018. In addition, the financial statements do not include full financial statement disclosures for the prior year. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2018, from which the summarized information is derived.

(o) Recent Accounting Standard Adopted

In August 2016, the Financial Accounting Standards Board issued ASU 2016-14, Not-for-Profit Entities (Topic 958) - *Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources and the lack of consistency in the type of information provided about expenses and investment return. ASU 2016-14 is effective for fiscal years beginning after December 15, 2017. As a result, the Organization has adopted this ASU as of and for the year ended June 30, 2019 with retrospective application for the 2018 financial statements. The Organization changed its presentation of its net asset classes and expanded the footnote disclosures as required by the ASU, with no effect on previously reported change in net assets. Other than these reclassifications, the adoption of ASU 2016-14 did not have a material impact on the Organization's financial position, results of activities or cash flows.

(2) Contributions Receivable

Contributions receivable consist of the following as of June 30, 2019:

	Gross				Net	Unamortized		
	Promise	_	Allowance	_	Promise	Discount	_	Total
Receivable less						_	_	_
than 1 year	\$ 57,215	\$	-	\$	57,215	\$ 	\$	57,215

(3) Employee Benefits

The Organization has implemented a Qualified Small Employee Health Reimbursement Account as provided in the IRC which provides a mechanism for employees to purchase health insurance, or qualified ancillary services and supplies using pre-tax dollars.

Notes to Financial Statements

June 30, 2019

(4) Operating Lease Commitments

The Organization has a five year lease agreement for office space located in Somerville, Massachusetts, that commenced on January 1, 2018. The monthly payments over the life of the loan is \$4,125. Lease expense for the year ended June 30, 2019 totaled \$49,500, which includes parking and additional space rented for trainings. The future minimum annual operating non-cancelable lease commitments on property are as follows:

FY20	\$ 49,500
FY21	49,500
FY22	49,500
FY23	24,750

The Organization leases copier equipment under an operating lease, expiring September 26, 2020, with minimum monthly payments of \$240. Future minimum lease payments are as follows:

FY20	\$ 2,880
FY21	720

(5) Net Assets With Donor Restrictions

Net assets with donor restrictions consist of resources available to meet future obligations, but only in compliance with the restrictions specified by donors. As of June 30, 2019, net assets with donor restrictions are restricted for the following purposes or periods:

Access to Theatre Program	\$ 1,825
Subject to the passage of time: For periods after June 30, 2019	109,167
Total net assets with donor restrictions	\$ 110,992

(6) Commitments and Contingencies

The Organization receives a portion of its funding from governmental agencies. The ultimate determination of amounts received under these programs generally is based upon allowable costs reported to and audited by the governmental agencies. Until such audits have been completed, if any, and final settlement reached, there exists a contingency to refund any amount received in excess of allowable costs. Management is of the opinion that no material liability will result from such audits.

Notes to Financial Statements

June 30, 2019

(6) Commitments and Contingencies - continued

The Organization's operations are concentrated in the social service provider field. As such, the Organization operates in a heavily regulated environment. The operations of the Organization are subject to administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to the following:

Commonwealth of Massachusetts Department of Public Health

Commonwealth of Massachusetts Department of Mental Health

Commonwealth of Massachusetts Department of Developmental Services

Massachusetts Commission for the Blind

Massachusetts Rehabilitation Commission

United States Department of Education

United States Department of Justice

United States Department of Housing and Urban Development

United States Department of Health and Human Services

United States National Endowment for the Humanities

Such administrative directives, rules and regulations are subject to change by an act of Congress, act of the state and local legislature or an administrative change mandated by, Commonwealth of Massachusetts Departments listed above. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change. Additionally, contractual funding may decrease or be withdrawn with little notice.

(7) Contributed Services and Gifts in Kind

Contributed services and gifts in kind for the year ended June 30, 2019 were as follows:

Gifts in kind:

Discounted rehearsal space for special event	\$ 34,589
Catering for special event	6,767
Supplies and office expenses	1,907
Total	\$ <u>43,263</u>

(8) Schedule of Federal Awards

Determination of federal major programs was made using a risk based approach. For the fiscal year ended June 30, 2019, the Organization did not qualify as a low-risk auditee. The major program tested is disclosed as such in the schedule of findings and questioned costs.

Notes to Financial Statements

June 30, 2019

(9) Liquidity and Availability of Resources

The following reflects the Organization's financial assets as of June 30, 2019, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year from the statement of financial position date.

Financial assets at year end		
Cash and cash equivalents	\$	300,815
Accounts and contributions receivable, net		404,692
Total		705,507
Less amounts unavailable for general expenditures Within one year, due to:		1 025
Restricted by donors for specific purposes	,	1,825
Total	,	1,825
Financial assets available to meet cash needs for	¢	702 692
general expenditures within one year	\$	703,682

The Organization is supported by restricted contributions. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Organization must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

(10) Subsequent Events

The Organization has performed an evaluation of subsequent events through December 13, 2019 which is the date the Organization's financial statements were available to be issued. No material subsequent events, other than the items disclosed below, have occurred since June 30, 2019 that required recognition or disclosure in these financial statements.

Notes to the Schedule of Expenditures of Federal Awards

Note 1: Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of Partners for Youth with Disabilities, Inc. (the Organization) under programs of the federal government for the year ended June 30, 2019. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

Note 2: Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Organization has elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.
